

99% Pure Methyl Isobutyl Ketone Liquid, 99% Pure Nitrobenzene Liquid Chemical, Butyl Acrylate Monomer, Butyl Glycol Acetate, Caustic Soda Flakes, Chloroform Liquid, Industrial Grade Acetic Acid, Industrial Grade Acrylic Acid, Industrial Grade Butyl Acetate, Industrial Grade Cyclohexanone Chemicals, Industrial Grade Dimethylformamide Liquid, Industrial Grade Ethyl Acetate Liquid, Industrial Grade Methylene Di Chloride Liquid, Industrial Grade Normal Butanol Nba, Industrial Grade Toluene Solvent, etc.

INDUSTRIAL GRADE TOLUENE SOLVENT

LIQUID MIX XYLENE SOLVENT

VINYL ACETATE MONOMERS LIQUID

About Us

Since 2018, our company, Mohit Organic Resources Private Limited has been catering to the requirements of numerous industries including pharmaceutical, paint, dyes, textile, paper & pulp, construction, adhesives, etc. With the determination our company has been working from the very first day to make us a preferred choice to buy industrial chemicals like Liquid Benzene Chemical, Industrial Grade Toluene Solvent, Industrial Grade Ethyl Acetate Liquid, Methylene Chloride, Acetic Acid and so on. The substances using which we have formulated the chemicals are of top-grade as they are sourced from reliable vendors of the market.

We are very particular about the quality of the products which is why we make use of advanced technologies and equipment in the production stages. All the machines equipped in our production unit are handled by our experienced engineers and other professionals who are well-versed with the technological advancements. With the right usage of our facilities and expertise of our employees, we are completing all the undertaken projects efficiently and achieving the targets timely. The incredible industry experience and great market understanding of our company made us a renowned manufacturer, trader and supplier.

Key Facts

No of Staff	9
Year of Establishment	2018
OEM Service Provided	No

Our Products

Industrial Grade Dimethylformamide

Industrial Grade Acetic Acid

Polyvinyl Acetate Emulsion Liquid

99% Pure Methyl Isobutyl Ketone Liquid

Butyl Acrylate Monomer

Industrial Grade Ethyl Acetate Liquid

Industrial Grade Methylene Di Chloride

Industrial Liquid Phenol

Industrial Grade Butyl Acetate

Industrial Grade Normal Butanol Nba

99% Pure Nitrobenzene Liquid Chemical

Industrial Grade Cyclohexanone

Caustic Soda Flakes

Chloroform Liquid

Industrial Grade Acrylic Acid

Liquid Benzene Chemical

ADDRESS

Plot - 01/02, Survey No -633/A
Paikki 1, Champaba Estate-1,
Lamdapura Road, Manjusar,
Savli, Vadodara, Gujarat, India
(391775).
